PRCA BULL OF THE YEAR

D&H Cattle Co. is proud to bring the days of old back to Ardmore, OK at the historical Hardy Murphy Coliseum.

We are hosting the first PRCA Xtreme Bulls at this historical location. The best in Professional Rodeo along with the up & coming greats will be battling it out with the greatest bucking bulls in the world born & raised right here in Carter County.

D&H Cattle Company is nestled on the banks of the Washita River just north of Dickson, OK. It is a family ran operation lead by a father & son team Dillon & HD Page. Dillon started the Bucking Bull Operation over 30yrs ago when HD was still riding bulls. It has blossomed into the biggest Bucking Bull Program in the world. The genetics from their herd has spread into Canada, Mexico, Central & South America, & also been extensively used in Australia. So therefore it has impacted the far reaches of the world when it comes to Bucking Bulls & Cows that produce these great animal athletes.

They have produced over 120 Ranch Raised Bulls that have been featured at the National Finals Rodeo.

In 2024 there were 18 Ranch Raised Bulls selected for the National Finals Rodeo. This is a great feat as only the Top 100 Bulls in Professional Rodeo (PRCA) are selected to compete at the NFR.

Bucking Bull & Stock Contracting Awards:

5X PRCA World Champion

NFR Top Bull Award

5X PBR World Champion

11X ABBI Classic World Champion

9X ABBI Futurity World Champion

5X PBR Stock Contractor of the Year

Without our great staff, partners, & customers none of this would've ever been possible. Thank you to everyone involved past, present, & future for all the support over the years.
